Directions

You may purchase photographs at the prices listed below. To determine the price of your photograph(s):

1. **First, select your favorite photo:** Capture the title and number of that photograph from our web site.
2. **Determine which print size you would like:** For standard sizes, we have 4"x6", 5"x7", 8"x10", 12"x16", 16"x20" and 20"x24". Please contact us first if you wish to order a custom size.
3. **Pick your mat and framing style:** To preserve your investment for years to come, allow us to professionally mat and frame your photo or you may order a print only.
4. **Determine the cost using the chart below.** When you order **prints only**, the shipping cost is the same whether you order one print or ten prints, i.e. 1 8" x 10" print or 10 8" x 10" prints shipping and handling is still only \$10.00. When you order **more than one framed or matted print**, each additional item is half of the shipping and handling cost for that item, i.e. for two matted 8" x 10" prints, the shipping and handling cost would be \$15.00
